Re: *Matter of Eric Adams 2025, et al. v. New York City Campaign Finance Board*
Case No. 1:25-cv-03380-NGG-LKE

Dear Judge Garaufis:

I write as counsel for the plaintiffs pursuant to your order of September 28, 2025, directing that we advise you no later than noon today whether Plaintiffs “are withdrawing this action challenging Defendant’s determination that the 2025 Adams Campaign is currently not eligible for public matching funds.” Plaintiffs are not. Pursuant to New York City Campaign Finance Act § 3-710(3)(c), campaign expenditures incurred prior to the date the candidate has ceased actively campaigning remain eligible expenditures. The Adams Campaign has incurred such expenditures and is therefore entitled to the relief it seeks in this action today, just as it was prior to Mayor Adams’ announcement.

Respectfully yours,

Robert A. Spolzino
